

BLAKELY ELEMENTARY SPECIALIST SCHEDULE (2015-2016)

Every student has Art, Music, P.E. (Physical Education), and STEM (Science, Technology, Engineering and Math) once weekly in the same 50-minute time slot on the same day each week (Tues through Fri). In addition, supplemental sessions of P.E. occur on a rotating basis on Mondays (for a 45-minute time slot, due to early release) and Wednesdays (in a back-to-back time slot with the regularly scheduled Specialist), as outlined below. Consult the school calendar on the back page of the Directory for itemization of weeks 1, 2 and 3.
